Law Legal Research Summary Guide. Published November 26, 2019 Submitted by: Tysha. There are many reasons people do their own legal research. Frequently though, non-lawyers tend to have misconceptions about legal research and are overwhelmed at all the various type of law books. Legal research takes time: there is much note taking and rarely is all the needed information in one place. From ...

Access to health care based on need rather than ability to pay was the founding principle of the Canadian health-care system. Medicare was born in one province in 1947. It spread across the country through federal cost sharing, and eventually was harmonised through standards in a federal law, the Canada Health Act of 1984. The health-care system is less a true national system than a ...
