This poem is thought to have originated from a real moment in Wordsworth's life, when he walked on the beach with the daughter he had not known for a decade. Unlike many of the other sonnets of 1802 , "It is a beautiful evening" is not charged with either moral or political outrage; instead it is as tranquil as its theme.

I connected emotionally through the tone of the poem. Now when I see a disaster like this reported in the media, I can't help but put myself in the position of the animals. It makes me furious how as creatures shearing this earth, we can be so careless about our actions. I suppose this poem motivates me as a young person to try everything I can to help minimise the effect of these ...
