At the Brading Roman Villa in the Isle of Wight, new excavations are being planned by Barry Cunliffe and Michael Fulford. As we were recently in the Isle of Wight, we went along to see what it was all about. The villa was originally discovered in 1879 when local children showed fragments of Roman pottery to retired army captain John Thorp.

Brading Roman Villa is a fine example of a maritime courtyard villa with in situ mosaics which rank among the best of their kind in northern Europe. It was originally excavated in the 1880s. This volume reports on a new programme of excavations carried out in 2008-10, whilst also delving into earlier work to provide context. The research involved a full re-excavation of the North Range, an ...

We go to the Roman villa often for a cup of tea and lunch, we like it as their sausages are isle of wight and being dedicated eaters of loW produced meat only its great for us. The food is basic , but then it is a cafe/tea room not a 5\*place. The food is good, the staff are friendly and it just a nice place to go.
